Dear Sir,

This is in regards to your letter providing your written reply to a comment made by one of our bargaining caucus during the initial meeting for bargaining this past weekend.

Given the circumstances it is unnecessary for you to write to me with your explanation, and in any event I am uncertain the comment was a question requiring a response or simply an observation.

In regards to our discussion with Mr. P. Edwards, CP - VP Human Resources at Saturday's meeting, I understand that he is committed to meeting with your legal counsel within the next two weeks to review our proposed Maintenance of Activities document provided on September 1, 2014. As I explained, please feel free to contact me with any questions that may exist.

Yours Truly,

Douglas Finnon  
Vice President TCRC
