All TCRC Local Chairs- CPR Eastern and Western Regions - Bulletin 3

Your TCRC Negotiating Committee met with CP for 5 days from November 3rd to 7th, 2014 in Calgary. So far, we have met with the Company on three occasions.

To date, the bargaining sessions with the Company have focused on explaining ours and the Company's demands. Unfortunately our efforts to accurately inform our members thru bulletins are being utilized by the Company at the CIRB therefore you must understand that these bulletins will be brief and generic.

We will continue to request information through the Local Chairs that will help us to advance our issues through the bargaining process. We expect and appreciate the cooperation of the membership in working with the Local Chairs in gathering of information for our use.

Both parties have been invited to meet with the Minister of Labour in Calgary on November 14th.

Our next Bargaining session is scheduled for the week of November 16th, 2014 in Toronto. That will conclude the scheduled sessions up to the Christmas break, and while we have tentatively discussed further dates in January, nothing has been confirmed yet.

This brings the membership up to date on the National Negotiations sessions so far. You will appreciate that we still remain in the preliminary stages of discussions and there is simply not much additional information that we can offer at this time.

In solidarity,

Dave Fulton
