Subject: Subdivision run times

Dear Sirs,

This has reference to the December 8, 2012 letter of Understanding signed by the parties on Subdivision Runtimes. This letter will confirm the parties' commitment to review all subdivision runtimes within 90 days of ratification of the Memorandum of Settlement. The purpose of the review will be to determine whether some subdivision runtimes require modification based on seasonal and other operating requirements.

If any items reviewed remain in dispute concerning subdivision runtimes the matter will be referred to Arbitrator William Kaplan in a mediation/arbitration setting for final resolution by no later than April 1, 2018.

If the foregoing reflects our understanding please indicate in the spaces provided below.

Sincerely,

Myron Becker
Assistant Vice-President
Labour Relations

I concur:

Dave Fulton

Wayne Apsey

Greg Edwards

John Campbell
